1. Applicant's request to table RZ-2022-01 and SUP-2022-01 -R2 Rezoning and Special Use Permit for townhomes

ZONING HISTORY

The six subject parcels front Lawrenceville Highway and are surrounded by Commercial Business zoning and a mix of commercial and residential uses. The subject site exists within the U.S. 29 Overlay District. The parcels were zoned CB prior to 2011 and have not seen zoning action in over a decade. Parcels 008 and 009 are vacant, parcels 010 and 011 have residential structures with office uses, and parcels 012 and 013 are occupied by a landscape nursery operating out of several residential structures.

APPLICANT'S INTENT

Applicant seeks to assemble and rezone approximately 8 +/- acres of the 9.25 acre site to R2, Medium Density Residential in conjunction with a Special Use Permit for the development of a townhome subdivision with 65+ fee simple (for sale) townhomes. The remaining 1+/- acre is proposed to be deeded to DDA for the development of a commercial outparcel fronting on U.S. 29 and screening the townhome development.

Staff is awaiting updated plan for review as well as comments from DDA, and Planning Commission meeting is scheduled for July 28th, 2022. Staff recommends tabling so that the proposal may be considered by DDA & Planning Commission, prior to a public hearing before Council.
