The Lilburn News is an official publication of the City of Lilburn, Georgia — produced as a collaborative effort by City staff members and other contributors for the citizens of Lilburn.

Recommendations or suggestions about this publication may be referred to Rozalyn Schmitt at 770-921-2210 or rschmitt@cityofilburn.com.

Event season is here

The city offers a variety of exciting events throughout the year, from concerts to parades! Here are just some of the upcoming events happening in Lilburn.

The **Lilburchaun Parade** returns to Lilburn City Park on Saturday, March 14. Dress in your most festive St. Patrick's Day attire and join the fun! The event kicks off with a walking parade around the park, led by a leprechaun stilt walker and bagpipe player! Awards will be presented to the best leprechaun look-a-likes, also known as Lilburchauns. Categories include; Mr. Lilburchaun, Ms. Lilburchaun, Little Lilburchauns, Best dressed pet, and Best decorated non-motorized vehicle. This free, family friendly event includes a variety of entertainment, children's activities and more! Pets, bicycles, wagons, and strollers are welcome.

An **Easter Egg Hunt** for children up to 10 years of age will be held in Lilburn City Park on Saturday, April 11. Refreshments will be available for purchase. Photo opportunity, inflatables and more!

On Saturday, April 25, professionals from the Georgia Forestry Commission will lead a free guided tour through Lilburn City Park and Camp Creek Greenway at the **City of Lilburn Tree Walk**. Learn about trees in your area during this free event. The event starts at the Gartrell Nash Pavilion in Lilburn City Park at 10 a.m.

The **Great American Cleanup** will take place on Saturday, May 2 from 8 a.m. to 11 a.m. in the Lilburn City Hall-Library parking lot located at 340 Main Street. This annual recycling event is a great opportunity to recycle tires, electronics, paper, and more. Some fees apply. Visit cityofilburn.com for more details.

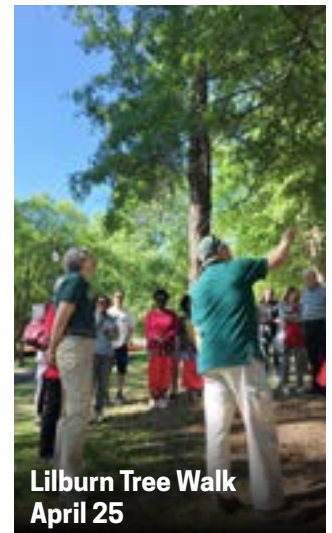

Taste of Lilburn is returning to Lilburn City Park on Saturday, May 2. Sample a variety of restaurants while at the event. Visit cityofilburn.com for more details and ticket information. Look inside to find out more about these and other events taking place this year!

Lilburn Construction Progress

Visit cityoflilburn.com for more information on these and other projects.

Bryson Meadows
Clearing and grubbing is underway for this site located on Lilburn School Road. Plans include 83 townhomes with commitment for a future 20,000 sq ft. commercial component on the eastern tract.

Old Town Lilburn
Construction of 55 townhomes across Railroad Avenue from Lilburn City Park is underway. This mixed-use project encompasses 5.7 acres between Railroad, Main, First, and Lula and includes plans for future commercial buildings on Main Street.

Townes at Greenleaf
Clearing and grading have been permitted for this site located off Greenleaf Court. Plans include 29 townhomes and 4 single family residential homes on 3.8 acres.

Car wash
Site work is underway for a new car wash at the corner of Braden Drive and US 29.

Parkview East
A clearing/grubbing permit has been issued for this location at Arcado Road and Lilburn Stone Mountain Road. Site development plans include 127 single family residential homes.

HAWK Signal
A new High-intensity Activated Crosswalk (HAWK) system is planned for Killian Hill Road near Shelley Lane. Pedestrians activate the signal to cross, so it only stops vehicular traffic as needed.

The Preserve at Killian Hill
This mixed use project is located at Arcado Road and Killian Hill Road and will include 167 townhomes and a 1.1 acre commercial site.

Tour new PD HQ

Residents are invited to tour the new Lilburn Police Department and Municipal Court Complex on Friday, March 6, from 10 a.m. to noon. Officers will lead guided tours of the facility at 4600 Lawrenceville Highway. Guests will have an opportunity to ask questions during the tour. Several tours will be conducted, and parking is available on site.

With the relocation of the police department, the city is moving forward with plans to build a new open air pavilion at Lilburn City Park. Evaluations by two structural engineers determined it was too cost prohibitive to alter the existing building for another use. The more cost efficient approach was to remove the structure, keeping the storage components and restrooms, and construct a new building in its place.

The Calvin Fitchett Pavilion will be 3,000+/- square feet and will include restrooms and other public amenities. Visit cityoflilburn.com for updates.

Special Election on May 19

The City of Lilburn will hold a special municipal election on May 19 to fill vacancies for Lilburn Mayor and City Council Post 4. The mayor and council members serve four-year terms and are elected at large, meaning that each member represents all city residents.

The municipal special election will be held at Lilburn City Hall, 340 Main St. from 7 a.m. until 7 p.m. Advanced voting runs April 27 through May 15, 8:30 a.m. to 5 p.m. Direct questions about the special election to Melissa Penate, 770-638-2226, mpenate@cityoflilburn.com.

Voters must come to Lilburn City Hall to vote in the municipal special election, which is separate from the presidential primary election conducted by Gwinnett County Voter Registrations and Elections Office. Visit registertovote.sos.ga.gov for more information about registration. The City of Lilburn has posted public notices regarding this election in English and Spanish to satisfy the requirements of the Voting Rights Act, 52 United States Constitution §10503.

Report Property Concerns on City Website

Did you know that residents can help city staff improve the quality of life in Lilburn by reporting issues such as junk vehicles or property maintenance concerns? The Request Tracker tool at cityoflilburn.com makes it easy to report a concern to the appropriate department and track the progress of a request.

Here's how it works:

- Visit cityoflilburn.com and click on the Request Tracker tab on the main page.
- Select the category for your request.
- Fill out the form, including the location and nature of your request.
- Include your contact information if you'd like to be notified of the status of your request. Anonymous reports are accepted.

Two common springtime violations involve outdoor decorations and tall grass:

- Decorative low voltage holiday lights must be removed by January 31.
- Residents should also keep their lawn under 12" high.

Be sure to click on the Notify Me tab at cityoflilburn.com to sign up for the city's e-newsletter, event information and more.

Census Questionnaires Coming Soon

In mid-March, the Census Bureau will send questionnaires to homes around the country. Completing the census is easy, important, and safe. The 2020 Census is the first time people can fill out their census online on mobile devices or desktop computers. Public libraries in Gwinnett offer free Wi-Fi and free computer access. You can also respond by phone or by mail. Census counts shape legislative and congressional districts, determine how federal and state resources are distributed (more people means more resources and services), and influence critical policy decisions. Also, it is illegal for anyone to share your personal information disclosed in the census. Your information can only be used for statistics. For more information, visit [2020Census.gov](https://www.2020census.gov).
